

Digital concierge

Car manufacturers can provide drivers with a unique brand experience

Exclusive

leisure services that go beyond charging put car manufacturers a step ahead of the competition

Manufacturer-branded

recommendations for drivers in Europe and North America

- Point-of-interest recommendations tailored to the specific preferences and expectations of the driver
- Displayed for the charging stops calculated by Bosch charging services
- Recommendations for restaurants, shopping, accommodation, sightseeing, sport activities, and events
- Point-of-interest information includes descriptions of the places, ratings, pictures, and reviews
- Currently more than 300 cities in North America and Europe are covered
- AI can be applied to build contextual suggestions over time
